Why all stakeholders need to play a role...

- ◉ **The UN Commission on Trade and Development (UNCTAD)**-meeting SDG Targets require **US\$5-7 trillion** in investment **each year from 2015-2030**.
- ◉ The UN and member countries cannot deliver on the SDGs alone; only an estimated **US\$1 trillion** annually will come from **public funds**, leaving a gap of **US\$6 trillion** annually for **private capital to fill**.
- ◉ **1.700 global investor** had commit to support the SDG achievement- one third of global private capital/investment [*Principle for Responsible Investment- PRI*]
- ◉ Alignment of SDG into private sector strategy. **Better Business for Better World-** An opportunity for Business potentials in implementing SDG. A report by prominent business leaders
